

Uniquat® Plus 256

DISINFECTANT CLEANING SOLUTION

Cleans and Disinfects

EPA-Registered, effective against a broad range of pathogenic organisms, including COVID-19, MRSA, HBV and HIV-1*.

Eliminates the need for additional specialty products.

One Ultra Concentrate, Multiple Applications

Use as a brightwork, glass or bowl cleaner, lime & soap scum controller, or for neutralizing winter salts

Available as Super Concentrates

Using Brulin's dilution control system delivers precise dilution performance.

Low repeatable cost make super concentrates a great value
