**Explanation of Waiver Request:**

We are out of socks and can't get a firm date on delivery- your vendor keeps pushing back the date. I need some to get by. We were almost out when we ordered the first of May.

Fill out completely the items to be purchased below or include an itemized quote with price, delivery and installation charges. For any modular order also include a copy of the drawing proposed. You may also attach your quote from the supplier you plan to purchase from in lieu of filling in the boxes below.
